Are you interested in becoming a member of the Support Committee, when an opening becomes available?

Y N

The committee meets on the third Wednesday of every month from September to June with the CO to discuss the need of the corps and fundraising initiatives. The support committee is responsible for managing the financial affairs of the cadet corps. This entails organizing fundraising activities, planning, purchasing, and serve food for the weekend exercises and assisting the officers and staff of the corps with any other duties. We have lots of fun and make sure the cadets are taken care of.

Would you consider one day shift 3 or 4 times per year to help at our Bingo session?

Y N

It's easy. No experience needed, but training by the Hall is required first. The funding we receive helps pay for our bussing and food. (Shifts are presently Fridays 11:45 – 2:45.)

Y N

Would you consider 2-4 hours twice a year to drive cadets to their tagging locations and counting coins?

Prizes are occasionally needed for fundraisers. Do you have any contacts (personal or through work) who might be able to donate prizes, gift baskets, products?
